### Matt Day

Matt Day is a fixture at all kinds of musical and special events around Edmonton and throughout Alberta.

For 12 years Matt was the house band pianist at Alberta's famous Fairmont Jasper Park Lodge and, today, is a highly regarded musical humorist, pianist and professional speaker.

Matt also works at the Glenrose Rehabilitation Hospital in Edmonton where he has developed a much welcomed music program for patients in rehab.

His passion is to connect with and enrich the lives of his listeners and fans. On this occasion he is very pleased,

and feels right at home, to be working with vocalist Ruth Blais and host Tracie Gray alongside Keith Persaud and Chef Sunil.
