Brett Norrie

Brett Norrie is our guest mixologist for the evening. Brett is an Eau Claire Distillery's representative with an impressive 21-year background in fine wines.

She recently made an exciting transition to Craft Spirits and today is proud to represent Eau Claire Distillery in Northern Alberta.

She was thrilled to discover two teams of Percheron draft horses (the gentle giants of the horse world) among her many dedicated co-workers.

Brett will present two (2) delicious cocktails to start our evening together:

1. A refreshing Cherry Gin Collins featuring: **Eau Claire Cherry Gin**
2. A delicious Rupert's 1670 featuring: **Rupert's Exceptional Canadian Whisky**

"We're very pleased to provide a 2 oz bottle of each spirit for all of our Valentine's guests," says Brett. "Rupert's 1670 is actually made with Alberta grown barley."
